SPIC "Triacon"

September 21 – 25, 2012

8-th Theoretical and Practical Conference

COAL POWER ENGINEERING: PROBLEMS OF REHABILITATION AND DEVELOPMENT

*Blessed memory of Academicians
Alexander Yu.Majstrenko and Yuri P.Korchevoj*

FIRST CALL FOR PAPERS

2012

Objectives:

To coordinate joint efforts of power engineering specialists for increasing efficiency of existing heat-and-power engineering equipment and manufacturing new applications with a glance to modern economic and ecological requirements.

Topics:

1. Current stage and perspectives of fuel and power engineering complex progress
2. Fuel-handling and fuel-preparing systems for Thermal Power Stations upgrading
3. New methods of solid fuel burning in Power Engineering
4. Development, reconstruction and repairing of Thermal Power Stations
5. Ecological aspects of Power Engineering
6. Automation of Power Engineering processes
7. Heat and mass transfer in Power Engineering equipment

Languages: Russian, Ukrainian

Committee:

Co-Chairmans:

- **Nikita I.Konstantinov**
Director of Strategic Policy, Investment and Nuclear Power Engineering Complex Department of the Ministry of Power Engineering and Coal Industry of Ukraine, Kiev, Ukraine
- **Zinifer R.Ismagilov**
Director of the Chemistry and Chemical Materials Institute SB RAS, Corresponding Member of the Russian Academy of Sciences, Professor Kemerovo, Russia
- **Natalya I.Dunaevskaya**
Acting director of the Coal Power Engineering Institute NAS of Ukraine, PhD Kiev, Ukraine

Program Committee:

- **Peter I.Pilov** National Mining University of Ukraine, 1-st Vice Rector of the University, Professor, (Dnepropetrovsk, Ukraine)
- **Iosif S.Mysak** NU "Lvivska Politehnika", Department of Thermal Power Plant, Head of Department, Professor (L'vov, Ukraine)

- **Eugeny T.Kovalev** The Ukrainian State Research Institute for Carbochemistry, Director, Professor (Kharkov, Ukraine)
- **Alexander P.Ryzkov** Ural Federal University named after the first President of Russia B.N.Yeltsin, Department of Energy saving, Professor (Ekaterinburg, Russia)
- **Georgyy A.Ryabov** All-Russian Thermal Engineering Institute, Laboratory of special boilers, Head of Laboratory, PhD (Moscow, Russia)
- **Mikhail P.Mikhailov** National Joint Stock Company "Energy Company of Ukraine", Department of Power Generation, Director of Department, (Kiev, Ukraine)
- **Irina L.Golenko** Coal Power Engineering Institute NAS of Ukraine, Scientific Secretary, PhD (Kiev, Ukraine)

Registration Fee

Regular fee includes:

- Access to oral and visual presentations
- "Seminar package" for the participants including one hard copy of Scientific Journal "Modern Science: Researches, Ideas, Results, Technologies"
- Coffee breaks
- Full pension accommodation.

Regular fee is:

ST(1)	ST(2)	ST(2)+	L
\$ 770	\$ 970	\$ 1000	\$ 1200

- ST(1) - standard room for 1 person
- ST(2) - standard room for 2 person (price is for full room)
- ST(2)+ - improved planning room for 2 person (price is for full room)
- L - luxury room for 2 person (price is for full room)

On-line participation as Delegate (NEW!!!)	\$ 200
On-line participation as a Speaker (NEW!!!)	\$ 250

Location

The Conference will be held at the health and resort center "Golden Kolos", Alushta, Crimea, Ukraine. It is the ideal location for the efficient and comfortable conference work. Pictorial park and Sea proximity provides exceptional environment for the relaxation after the technical sessions and lectures. Service and amenities includes billiard, sauna, city tours, side walking, sport areas, etc

A variety of sessions are planned for presentations as it allows flexibility to the authors including oral presentations, posters, round tables and panel discussions

To participate in the Conference, please register before **September 05, 2012**. For on-line registration click the **Registration** link on the Conference web site: <http://coal.triacon.org>

We need full text of your paper before **August 25, 2012**. Requirements for full text publication are following:

4-6 pages of text in 2 columns with MS Word 2003 or earlier. Do not use MSWord 2007 .docx format, please. Font Times New Roman 10, Pictures up to 6, Picture width 7.5 cm or 16 cm, Picture colors are grayscale.

Publication

The special issue of Scientific Journal "Modern Science: Researches, Ideas, Results, Technologies". Selected presentations will be published in special issues of:

- "Power Engineering and Electrification"
- "Ecological Technologies and Resource-Saving"
